Hoorn, July 26th 2011,

Dear Arie and members of the organizing committee,

Hereby I want officially thank you and your organizing committee for a wonderful E.C. in Haifa, Israel. It was overwhelming and I think no one will beat your organization, hospitality and friendship for a long time in the future.

ESBC is sure this was one of the best organised championships ever. It was also the first time no one had comments for the organizing committee in the ESBC meeting, so on Monday the standard was already very high and you and your organizing committee kept performing brilliantly until the very end.

I have heard many compliments from players and guests before and during the Victory banquet.

ESBC wants to thank you and your organizing committee for taking care of our board and making us part of the organization. The presidium is looking back with great pleasure and we are still feeling the friendships of you all.

Again, you and your organizing committee did a great job. You organised the EC to perfection. You promoted the bowling sport and your country in a great way. Every one present will remember the championships as being good organized with great friendship and speak about this event for years to come.

Kind regards

Paul Douw, president ESBC
